

I am James "Whitt" Whittington. I was a Communications Workers of America local president for several years while you were senator and knew you then. You did good then and I'm proud to have voted for you for governor. My son Dr, Matthew Whittington will be married @4pm On May 26 in Lena. You will be getting an invitation and he would be honored if you could make it but understands your busy schedule and how much off time with family is treasured.

With best regards

Whitt
